STATEMENT OF PURPOSE: This section of Superior Street is on a curve which limits  
sight distance to the east and west. Removing parking will improve safety for  
residents leaving their driveways. This was requested by the abutting property  
owners. All owners have been contacted and are in agreement. This resolution  
was recommended by the city of Duluth parking commission at the September 13,  
2011 meeting. The city of Duluth engineering division also recommends its  
approval.
